

IN THE DRAWINGS

Please insert Replacement Sheets 2/8, 3/8, and 6/8, for those originally filed. No new matter is added. A copy of the Replacement Sheets with the corrections noted in red ink is provided for the Examiner's review.

REMARKS

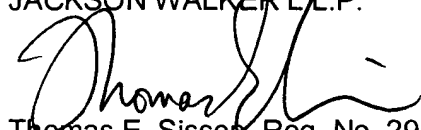

The drawings and specification have been amended as suggested by the Examiner. Further, the specification was amended to provide proper antecedent basis for the claimed subject matter at page 9. No new matter was added.

The Examiner has indicated that Claims 1, 2, 4, and 5 were rejected for obviousness-type double patenting. Enclosed is a Terminal Disclaimer signed by the registered attorney of record, along with the \$65.00 fee. Thus, Claims 1, 2, 4, and 5 are now allowable.

The Examiner further indicated that Claim 3 would be allowable, if rewritten in independent form. Now that Claim 1 is allowable, original Claim 3 should also be allowable as depending from an allowable claim.

The Applicant asks the Examiner to reconsider the claims and issue a Notice of Allowance.

Respectfully submitted,
JACKSON WALKER L.L.P.
